

Hi All:

If you have received the above questionnaire from the Madera County Assessor's Office for the first time and aren't familiar with it, following is the information you will need to fill out and return the form.

For those of you who've done this in years past, here's a refresher:

Sec I.

Unless you're farming on your 40, this section won't apply.

Sec II.

1. The tenant is the Circle W Ranch (to which we lease land for cattle)
2. Beginning Date of Current Rental Agreement is **Jan 1, 2014**
3. Number of acres rented is your total parcel, minus what you may have fenced.
4. Rent is Cash Rent of \$6.00 per acre

Answers to Yes/No Questions 5 through 8 are:

- > No
- > No
- > No
- > No
- > No
- > Yes (Property owners pays property taxes)
- > No
- > Yes (Beef Land)

Sec III. You would fill this out only if you rent ag. land from others

Sec IV. Note any wells or pumps that may have been added or modified on your property in the past year.
